Morgan was very available if I needed help - I took advantage of this. He definitely has a talent for instructing. I found the class easy to get excited about and it ended up being my favourite class and Morgan is for sure the instructor I respect the most at Emily Carr. It is unfortunate that he won't be teaching here any longer.
Great teacher. Super enthusiastic. Gave confidence to students to be able to take on electronic projects. Gave us the tools to be autonomous. Thanks Morgan!
he is good
The course was a perfect balance of fun and challenging work. I'm amazed by all of our learning outcomes
Too much information crammed into one course. Wish we could slow down practice cover concepts more.
school needs to have more instructor knowing more about technology.
